# ROOTED + CEC ENVIRO HUB OPEN HOUSE:

A Conversation About Health, Food, and the Future

July 17, 2026 • 6:00-8:30 PM  
CEC Enviro Hub • 1219 State Street

## What does a healthier future look like and how do we get there?

Join Rooted at the CEC Enviro Hub for an evening of conversation, connection, and community.

Inspired by Feeding Tomorrow, we'll explore the connections between food, health, environmental stewardship, climate resilience, and community well-being through film highlights, a community panel discussion, and an open house in Rooted's new home at the CEC.

Film Highlights • Panel Discussion • Refreshments  
Complimentary admission • RSVP required
